## Veneto & Veneto Maxi Umbrellas

The Veneto umbrellas are sleek, sophisticated and so easy to use. The unique cantilevered umbrella with retractable closing system makes a strong visual statement while providing maximum shade in outdoor areas. Venetos are extremely versatile and can be positioned at a variety of angles and may be turned a full 360°.

Frames are available in black, white, or aluminum color. Veneto is the ideal umbrella system for outdoor seating areas.

Veneto Maxi - 13'W x 13'D x 10.8'H

# Voilá Umbrella

Voilá redefines the concept of how umbrellas should look. Its unusual shape is inspired by the sea and birds of flight. Voilá is the perfect fusion of wind resistance, functionality, and design. The easy-to-open umbrella will make a unique enhancement to any outdoor environment. Optional sizes and bases are available. Frame is aluminum color.

# Réve Umbrella

The dreamy, circular shaped umbrella has a unique flat canopy that when fully deployed provides greater wind resistance than a standard umbrella canopy. The open and close design is extremely simple and easy to use. Opens in a "reverse" method pushing up from the bottom to deploy. Includes ribs with "Easy Change" system for simple and quick part replacement, should undue damage occur to your umbrella. The frame is aluminum color.
