19'-8"	26'-2"	9'-4"	8'-2"	9'-10"	258
19'-8"	32'-9"	9'-4"	8'-2"	9'-10"	322

## Retractable Sail Shade

Velora has a central roller with a spring-assisted rewinding system, facilitating the manual opening and closure of the sails.

## Non-Mounting Options

The structure can be installed anywhere in a very short time, even without preparing a foundation, thanks to an elegant ballast in white stone aggregate. Six stone ballasts are required to fully weigh the system down.

## Mounting Options

Mounting options can vary based on each project's needs. Options for in-ground mounts allow the structure to affix to a pedestal or existing foundation. Optional wall mounts allow the Sail Shades to affix to walls and replace any post with the wall mount alternative of its function.

## Sail Shade Material

Providing durable UV protection and contemporary shelter from rain. The large canopy of the Sail Shade provides an attractive, contract-grade shelter for outdoor events with an elegant silhouette to blend into the surrounding landscape.

-Yarn: 100% Polyester

-Weight:

White Color- 430 g/m<sup>2</sup>

Beige Color- 210 g/m<sup>2</sup>

-Breaking Strength:

-White Color- 29.4 -37.7 daN./ 43.6-50 daN per 1% for elongation

-Beige Color- 17-25.5 daN / 12.9-16 daN per 1% for elongation
